考前复习 · 第1周

Study this before the test · about 30–40 minutes

1. 本周语法 Focus grammar

most of the test is built on these

一…就 — as soon as

`Subject + 一 + V1 + 就 + V2`

我**一**下课**就**去吃饭。 · 他**一**到家**就**睡觉了。

⚠ Both 一 and 就 go after the subject, never before it. × 一我下课就…

一点儿也/都 + 不/没 — not at all

`一点儿 + 也/都 + 不 + Adj/V` 他**一点儿也不**累。

`一点儿 + Noun + 也/都 + 没 + V` 我**一点儿**饭**都没**吃。

⚠ Don't mix these up: **有一点儿**大 (a bit too big, a complaint) · 大**一点儿** (a bit bigger, a comparison) · **一点儿也不**大 (not big at all)

比 / 没有…那么 — comparisons

`A 比 B + Adj (+ 一点儿 / 得多 / 多了 / 两岁)` 今天**比**昨天冷**多了**。

`A 没有 B (那么) + Adj` 我的中文**没有**你的**那么**好。

⚠ Never put 很/非常/太 before the adjective in a 比 sentence. × 今天比昨天很冷

是…的 — details of a past event (when/where/how)

`Subject + 是 + time/place/manner + V + 的` 他**是**坐飞机来**的**。

⚠ Only for things that already happened. 是 can be dropped in speech; 的 can't.

Also tested (review): 了 for change of state (下雪了) · 过 for experience (吃过) · V得 + comment (吃得很饱) · 好多了 / Adj + 极了

4. 考前十分钟 Before you start

- Say each of the four focus patterns out loud with your own sentence (speaking practice too).
- Listening: read the options **before** each question plays. The options tell you what to listen for.

- Reading: underline 比, 一…就 and 一点儿 in the passage. The questions hang on them.
- After marking: write every wrong answer into a "mistakes" Quizlet set. Next week's test will recycle them.
